

Index of personal names

in L.R. Cryer's *A History of Barrowby, Casthorpe and Stenwith*, self-published 1979.

This list is intended to assist genealogical researchers. Dates are usually for the document in which they are mentioned, though some are dates of death. However note that entries for page 53 refer to a list of wills, so the year of death may only be approximate.

Email me bobtrubs@indigogroup.co.uk if you would like details of any of these people.
